Forecast for Monday 01 Nov 2021

Weather: A few showery outbreaks of rain overnight and staying cloudy. A dry and bright day with some sunny spells but a few showers moving across the area, these will move through quite quickly in the very strong winds. Feeling cold on the hills in strong winds.

Chance of cloud free mountain/hill tops above 600m: 70%, low cloud in association with showery outbreaks, more cloud breaks likely for south and eastern areas.

Visibility: Out with showers, visibility below the cloud will be good however it will be quite poor at times in showers. Cloud bases will be up and down but scattered or broken cloud above 600m is likely for the morning, lower and thicker cloud is expected in the west. Cloud tending to thin and lift in the afternoon with just patches around 600m.
